

Actuarial Analyst, Guelph, ON

The Co-operators is a group of Canadian companies focusing on home, auto, life, travel, group, commercial and farm insurance, as well as investment products. Owned by a group of Canadian co-operatives, credit unions and like-minded organizations, The Co-operators has assets of over \$7 billion. The Co-operators is well known for its philanthropy and community involvement. For the past six years, The Co-operators has been represented among the 50 Best Employers in Canada by Hewitt & Associates.

Our head office, located in **Guelph, Ontario**, has an Actuarial Analyst position available within our Pricing Team. This role is responsible for supporting pricing and research and development initiatives within Actuarial Services for Co-operators General Insurance Company.

The successful candidate will have successful completion of up to four (4) Casualty Actuarial Society exams and a Degree in Mathematics, Actuarial Science or equivalent. They must have strong problem solving and technical skills accompanied by strong computer skills (preferably Microsoft Office, SAS, and APL).

Please submit your cover letter and resume in confidence by February 13, 2009 to:
