Pension envy

Anger is growing over the huge disparity between public, private retirement incomes

ADRIEN VECZAN/FOR THE TORONTO STAR

Actuary Malcolm Hamilton says it would cost about 30 per cent of pay to match the benefits and security of a federal public servant's pension.

Average
the income security
of inflation-protected
plans for civil servants

ector pensions

Most Canadian workers in the private sector have no registered pension plan. In the public sector most are in a defined benefit plan.
