Please note that should rates stipulated in the collective agreement vary from rates stated in this posting, the rates stated in the collective agreement shall prevail.  

Qualifications: A Master’s degree in Applied Statistics or Biostatistics required, PhD preferred. Prior experience teaching at the university level required. Prior experience teaching ACT245H1 S or a similar course preferred. Applicant’s may be asked to supply references.  

Description of duties: Teaching; setting and invigilating term tests and final examinations; reporting final grades; counseling students; supervising teaching assistant(s).  

Closing date: June 10, 2011  
To apply, please submit a Curriculum Vitae as well as the CUPE 3902 Unit 3 application form (http://www.hrdequity.utoronto.ca/Assets/jobs/empapp/3902u3app.pdf or WORD format http://www.hrdequity.utoronto.ca/Assets/jobs/empapp/3903u3appword.rtf) to: 

The Chair  
Department of Statistics  
Faculty of Arts and Science – University of Toronto  
100 St. George Street, 6th Floor Toronto, ON M5S 3G3  

Email: christine@utstat.utoronto.ca  

Final availability of the position is contingent upon enrolment, budgetary consideration and the determination of appointments as governed by the collective agreement.  

Undergraduate or graduate students and postdoctoral fellows of the University of Toronto are covered by the CUPE 3902 Unit 1 collective agreement rather than the Unit 3 collective agreement, and should not apply for positions posted under the Unit 3 collective agreement.  

Preference in hiring is given to qualified individuals advanced to the rank of Sessional Lecturer II or Sessional Lecturer III by the Department of Statistics.

Posting Date: May 11, 2011
