ACT370H1S 0101 - Financial Principles for Actuarial Science II
Mathematical theory of financial derivatives, discrete and continuous option pricing models, hedging strategies and exotic option valuation.

Estimated course enrolment: 110 students
Estimated TA support: 95 hours
Schedule: Mondays 11:00am to 12:00pm, Wednesdays 11:00am to 1:00pm
Sessional dates: January 1, 2017 to April 30, 2017
Rate of Pay: $7,312.00 (including vacation pay)

Final availability of the position is contingent upon enrolment, budgetary consideration and the determination of appointments as governed by the collective agreement.

Qualifications: A Master's or PhD (in progress) degree in Statistics, Applied Statistics, Actuarial Science, Biostatistics or related discipline. Prior experience teaching at the university level. Prior experience teaching ACT370 or a similar course an asset. Note: Applicants may be asked to supply references. First consideration will be given to full-time graduate students at the University of Toronto.

Description of duties: Teaching; setting and invigilating term tests and final examinations; reporting final grades; counseling students; supervising teaching assistant(s).

Closing date: July 22, 2016

Applicants should submit a cover letter, C.V. (including previous teaching evaluations (if applicable)), and the names of two references to:

Jamie Stafford
c/o Christine Bulguryemez
Sidney Smith Hall, 100 St. George Street Toronto, ON M5S 3G3
Email: christine@utstat.utoronto.ca

This job is posted in accordance with the CUPE 3902 Unit 1 Collective Agreement. The position(s) posted above is (are) tentative, pending final course determinations and enrolments.” A notation reminding applicants that subsequent appointment obligations may be filled on any of the three campuses must also be included, where applicable.

The University of Toronto is strongly committed to diversity within its community and especially welcomes applications from visible minority group members, women, Aboriginal persons, persons with disabilities, members of sexual minority groups, and others who may contribute to the further diversification of ideas.

Posted on: June 29, 2016

Note: Although a graduate student's preference as to the campus location of his/her TA appointment will be taken into account, both the initial TA appointment (or CI appointment) and the subsequent appointment obligation related to that appointment may be met through position(s) on any one of the three University of Toronto campuses (UTM, UTSC or St. George) in courses in the same discipline as the initial appointment. TAs will only be assigned to courses in fields in which they are or should be qualified to assist.
