JOB POSTING - COURSE INSTRUCTOR
July 1, 2017 to August 31, 2017

The Department of Statistical Sciences seeks 1 Course Instructor for the following course:

**ACT370H1S L5101 - Financial Principles for Actuarial Science II**
Mathematical theory of financial derivatives, discrete and continuous option pricing models, hedging strategies and exotic option valuation.

**Qualifications**
A Master's or PhD (in progress) degree in Statistics, Applied Statistics, Actuarial Science, Biostatistics or related discipline. Prior experience teaching at the university level. Prior experience teaching ACT370 or a similar course an asset. *Note: Applicants may be asked to supply references.* First consideration will be given to full-time graduate students at the University of Toronto.

**Duties**
Teaching; setting and invigilating term tests and final examinations; reporting final grades; counseling students; supervising teaching assistant(s).

**Estimate of TA Support:** 25 hours
**Estimated Course Enrolment:** 25 students
**Schedule:** Tuesdays and Thursdays 6:00pm to 9:00pm
**Rate of Pay:** $7,385.12 (including vacation pay)

Final availability of the position is contingent upon enrolment, budgetary consideration and the determination of appointments as governed by the collective agreement.

**Application Process**
Applicants should submit a cover letter, C.V. (including previous teaching evaluations (if applicable)), and two letters of reference by **April 5, 2017**. Applications should be sent to:

Jamie Stafford  
c/o Christine Bulguryemez  
Sidney Smith Hall, 100 St. George Street Toronto, ON M5S 3G3  
Email: christine@utstat.utoronto.ca

This job is posted in accordance with the CUPE 3902 Unit 1 Collective Agreement.
The Departmental Hiring Policy is available in the Department office and in the CUPE Local 3902 office.

The University of Toronto is strongly committed to diversity within its community and especially welcomes applications from visible minority group members, women, Aboriginal persons, persons with disabilities, members of sexual minority groups, and others who may contribute to the further diversification of ideas.

Posted on **March 15, 2017**.

**Note:** Although a graduate student’s preference as to the campus location of his/her TA appointment will be taken into account, both the initial TA appointment (or CI appointment) and the subsequent appointment obligation related to that appointment may be met through position(s) on any one of the three University of Toronto campuses (UTM, UTSC or St. George) in courses in the same discipline as the initial appointment. TAs will only be assigned to courses in fields in which they are or should be qualified to assist.
